SIR,

With reference to your memo No.1650, Fin. dated 5th December 1928 and subsequent communications re renovation of the Chattram building at Channapatna, I have the honour to forward herewith copy of letter No.C-2-2679/27-28 dated 7th March 1929 from the Deputy Commissioner, Bangalore District, reporting that the expense of Rs.and repairs situated within the Chattram enclosure at each grant of Rs.C-15-0 per mensem and that as his proposal to permit one Mr. Munisami Iyer Contractor to construct the Chattram at his own cost having due regard to the temple within and to hand over the building, temple, etc. to the Muzrai Department for maintenance was not approved, it is the duty of the District Board to make adequate arrangements to protect the temple and have it separated from the main building. I agree with the views expressed by the Deputy Commissioner above.

I have the honour to be,

Sir,

Your most obedient servant

Muzrai Commr.

-28 dated the 7th March 19 from the Deputy
lore District, to the Muzrai Commissioner in Mysore,

Subject:- Renovation of Anjaneya Temple in Purnayya's Chattram at Chennapatna.

With reference to your Memo No.30/26-27 dated the 13th April 19 , I have the honour to state that the Amildar, Chennapatna reports that the temple is a minor Muzrai Institution enjoying a cash grant of Rs.6-15-0 per month and that it is now proposed to demolish the entire Chattram which is in a dangerous condition, keeping in tact the temple within it and to repair the same from the amount that may be got by selling the materials. The proposal of the Amildar is not a feasible one as the building is the property of the District Boardand has not reverted to the Muzrai Department and as Government have not sanctioned my proposal to permit one Mr. Munisami Iyer to reconstruct the Chattram at his own cost giving due regard to the temple within and to hand over the building, temple, etc., to the Revenue Department for mainterance, and it will now of course be the duty of the District Board to make adequate arrangements to protect the temple within and have it separated from the main building

I may add further that Mr. Munisami Iyer has given another statement before the Amildar, Chennapatna, that he is not prepared to reconstruct the building if the District Board were to maintain it.

The Vernacular file with the estimates prepared by the District Board will be sent separately. The Sub-Division Officer has been requested to submit it immediately.
